It is prohibited citing and including in the reference list russian-language contributions published in any country, incl. papers written in other languages but published in russia and belarus.

Academic integrity

The Editorial Board guarantees high-quality anonymous peer-review of articles and their check for plagiarism using [StrikePlagiarism.com](#) by the Polish company [Plagiat.pl](#).

TECHNICAL REQUIREMENTS FOR THE EXECUTION OF AUTHORS' MANUSCRIPTS

1. A manuscript is designed in the format *.doc, *.docx (MS Word): font – Times New Roman, size – 14, line spacing – 1.5. Margins: left, top, bottom – 2.5 cm, right – 2 cm. Paragraph indentation – 1.25 cm.
2. Languages: Ukrainian, English, German, French.
3. Volume – not less than 12 pages.
4. When using symbol fonts or non-alphanumeric character, please, add them in an individual file; pages are not numbered.
5. According to the guidelines of the MES of Ukraine, publications of the professional collections have to include UDC, Ukrainian and English abstracts, keywords.
6. UDC is indicated above the title in a separate line (top left hand corner without indentions and paragraphs).
7. The next line includes information about the author:
 - on the right (text is right-aligned, semi-bold italics) – author's full name;
 - one line below, in italics – a scientific degree, academic title (if any), post, complete form of a place of employment, ORCID
 - one line below, in italics – a city, country
 - information is typed without indentions and paragraphs
 - the author determines the ORCID code (<http://orcid.org/>).
8. The article's title is typed in semi-bold capitals without indentions and paragraphs. The title is placed in the centre and has to correspond with content and consists of a minimum of 12 words.
9. Abstracts are conveyed in two languages (Ukrainian and English).
 - They are placed after the article's title, size – 14, line spacing – 1.5.
 - Volume – 1800 characters each.
 - Abstracts are provided in one paragraph without subsections.
 - Every abstract includes: a brief presentation of the article, keywords and no references.
 - Keywords (6–8 words) are in semi-bold and are not duplicated in the title; they also meet the content and are separated by commas.

*If an article is written in German or French, you should also provide a title, an abstract and keywords in a relevant language.

STRUCTURAL ELEMENTS

The article should involve the following structural parts (semi-bold): 1) Introduction which contains the problem statement in general and its relation to important scientific or practical tasks, analysis of recent researches and publications, which have initiated the solution of the problem and the author relies on, specification of previously unresolved parts of the general problems a particular article deals with; formulation of the article's goals (tasks statement); 2) Methodology/Methods; 3) Results and Discussion (including full substantiation of research findings); 4) Conclusions and directions for further research in this area.

Citations in the text are marked in square brackets indicating a number of a source position in References: [8, p. 56–57]. Two and more sources are separated by semi-colon [4; 6]. Citations from articles, monographs etc. are designed using "double" quotes. Notes (at the foot of a page or towards the end of body text) are prohibited.

Illustrations and tables should be numbered within the article and accompanied by a centered name below them. Samples of illustrative materials are in italics.

At the end of the article, one line below, there are References (in alphabetical order) the author relies on.

When executing References, the author should follow the requirements of the National Standard of Ukraine DSTU 8302:2015 "Information and documentation. Bibliographic reference. General principles and rules of composition".

PUBLICATION FEE

After peer review, the author receives payment details of publication fee.

The publication fee is 1300 UAH for 12 pages. If the article exceeds the indicated volume, you have to pay 50 UAH for each additional page.

References and abstracts are also part of the general volume which is paid.

Collection's electronic version will be publicly available on the official website in late May 2025.

If desired, an author can order a printed copy of the collection. The cost of a printed copy is UAH 800, which is paid in addition to the publication fee.

Collection's printed version, at the author's option, will be sent in June 2025.

Linguocultural approach to the study of lexical semantics

Лінгвокультурний підхід до вивчення лексичної семантики

Summary. Contemporary linguistics is characterized by the growing interest in the study of lexical semantics. In this respect of primary importance is the in-depth analysis of the system and structural organization of modern English vocabulary...

Keywords: lexical semantics, language vocabulary, culture, system and structure, semantic space, dictionary, common and distinctive features.

Анотація. Сучасне мовознавство характеризується посиленням інтересом до досліджень лексичної семантики. В цьому контексті особливої ваги набуває всебічний аналіз системно-структурної організації вокабуляра сучасної англійської мови...

Ключові слова: лексична семантика, вокабуляр мови, культура, система і структура, семантичний простір, словник, спільні й відмінні риси.

Introduction.

Methodology/Methods.

Results and Discussion. In the globalization period, the most perceptible changes in the life of a person, his/her everyday and social activities etc. take place in the language's vocabulary, i.e. lexis [1, c. 311].

Conclusions.
